Dear Ms Walczak,
Dear Ms Pawłowska,

The 22nd Cartoon Forum, the European co-production forum for TV and new platforms animation, has been held in Sopot, Poland, from 13th to 16th September 2011 at the Sheraton Sopot Hotel, Conference Center and Spa. It gathered participants from all over Europe.

Cartoon would like to thank you for helping us with the organisation of this major European event. We are very grateful of the advices, ideas and support you gave us during the preparation process.

We are also thankful for the help and support you provided during the Cartoon Forum Polska in itself: your presence at the airport with the Cartoon team on Tuesday 13th September to welcome our participants, the booklets you provided for the sightseeing in Gdańsk Old Town and, last but not least, the volunteers "Toonies" you gathered to help us during the entire week of the Cartoon Forum Polska.

We certainly recommend other event organisers to ask for your professional and friendly help, should they want to organise an event in the Tri-city area.

We wish you all the best for the future.
Best regards.
